JURISDICTION

8 10. This matter involves damages in excess of \$75,000.00, exclusive of interest and
9 costs, arising from a dispute between citizens of different states. Accordingly, this Court has
10 jurisdiction pursuant to 28 U.S.C. § 1332.

11 11. Venue is proper in this Court pursuant to 28 U.S.C. § 1391 because this lawsuit
12 concerns parties that manage/own/service a business providing nursing home care to residents
13 of this District, conduct business in this District, and because a substantial part of the events
14 or omissions giving rise to the claims herein occurred in this District. The parties therefore
15 have sufficient minimum contacts with this District so as to render the exercise of jurisdiction
16 by this Court permissible under traditional notions of fair play and substantial justice.

FACTUAL ALLEGATIONS

18 12. In September 2015 IASIS, in its capacity as a general partner of various
19 medical facilities, entered into an agreement through which Favorite Healthcare would
20 provide temporary healthcare professionals to certain limited partners of IASIS. ("Staffing
21 Agreement"). A copy of said Staffing Agreement is attached hereto and marked as **Exhibit**
22 "**A**". Said Staffing Agreement was amended by the parties on 4 subsequent occasions namely
23 February 3, 2018, September 14, 2018, August 1, 2020, and December 4, 2021.
24 ("Amendments") A copy of said Amendments to the Staffing Agreement is attached hereto
25 and marked as **Exhibit "B"**. All of the Corporate Defendants acknowledged and/or were
26 bound by the terms and conditions of **Exhibit "A"** and **Exhibit "B"**.

27 13. Pursuant to the terms and conditions of **Exhibit "A"** and **Exhibit "B"** Favorite
28 Healthcare, between December 2021 and February 2022, provided temporary health care

1 professionals to St. Luke's and Mountain Vista at 3 different facilities located in Mesa, Tempe
 2 and Florence, Arizona. Favorite Healthcare submitted numerous invoices to the Corporate
 3 Defendants between January 2021 and February 2022 of which the Corporate Defendants
 4 have paid only 5 and failed, refused, and neglected to pay the remainder. The temporary
 5 healthcare professional services provided by Favorite Healthcare to St. Luke's, Mountain
 6 Vista and IASIS were accepted by the Corporate Defendants and materially benefited the
 7 Corporate Defendants and their owners/shareholders.

8 14. Favorite Healthcare tendered invoices requesting payment for services rendered
 9 to the Corporate Defendants for the period December 2021 through February 10, 2022,
 10 totaling \$372,843.65 plus accrued interest thereon. On July 28, 2022, Favorite Healthcare,
 11 through legal counsel, made a written demand for payment of the Balance Due. Said demand
 12 was sent by FedEx and proof of receipt has been confirmed. In response to said demand IASIS
 13 tendered a payment in the amount of \$22,700.00 but Defendants IASIS, St. Luke's and
 14 Mountain Vista have otherwise failed, refused and/or neglected to make any additional
 15 payments on any of said invoices. There remains due and owing to Favorite Healthcare an
 16 outstanding balance of \$350,116.45 ("Balance Due") plus interest thereon and attorney's fees.
 17 A summary of the invoices tendered to Defendant is attached hereto and marked as **Exhibit**
 18 **"C".**

19 15. The Corporate Defendants' acceptance of Favorite Healthcare's provision of
 20 temporary healthcare professionals, their receipt and execution of the Amendments, the
 21 receipt of invoices for more than 14 months and their \$22,700.00 partial payment, are all
 22 admissions of fact that the Corporate Defendants have expressly and/or impliedly agreed to
 23 the terms and conditions contained in Exhibit "A" and "B" and Favorite Healthcare's standard
 24 terms and conditions of service. Pursuant to the terms and conditions contained in Exhibit
 25 "B", Plaintiff is provided the right to collect the reasonable cost of collection, including but
 26 not limited to, its attorney's fees. Corporate Defendants' intentional breach of contract has
 27 caused the Plaintiff to institute this civil action to collect the Balance Due.

28 ///

1 16. The Corporate Defendants and their equity holders have received, accepted, and
2 benefited from Favorite Healthcare's provision of temporary healthcare professionals without
3 paying the fair market value for said services. The reasonable value of the services rendered
4 to and accepted by Corporate Defendants is \$350,116.45. Despite demand, the Corporate
5 Defendants have failed to pay to the Plaintiff the reasonable value of the services rendered to
6 and accepted by the Corporate Defendants, were materially benefited and as a result the
7 Corporate Defendants have been unjustly enriched.

8 17. None of the Corporate Defendants nor the Individual Defendants have raised
9 any defense, claim of setoff, breaches of warranty or any counterclaims to Favorite
10 Healthcare's assertion that it is owed the Balance Due.

11 18. Upon information and belief, the Corporate Defendants were intentionally
12 undercapitalized, had assets siphoned off through illegal distributions and were unable to pay
13 their debts as they were due. The facts set forth herein and in paragraphs 14, 15, 16 and 17
14 herein is evidence that the Corporate Defendants intended to use the corporate entity as a
15 vehicle to commit fraud as against Plaintiff and avoid contractual responsibility to Plaintiff.

16 19. Upon information and belief IASIS, in its capacity as the general partner, has
17 caused the issuance of corporate distributions to the Corporate Defendants'
18 owners/shareholders during a period of time that all of the Corporate Defendants were unable
19 to pay their just debts to Plaintiff in violation of Arizona Rev. Stat § 10-640 (2015) and the
20 applicable law, 8 Del. C. § 170(a), of the state of its incorporation. The Corporate Defendants
21 did not receive fair and/or reasonably equivalent value from the recipients of the illegal
22 distributions either at the time of distribution and/or subsequent to recipient's receipt of
23 distributions and as a result said transfers were fraudulent as to existing creditors such as
24 Favorite Healthcare pursuant to A.R.S. §§ 44-1001 – 44-1010.

("Business Associate") and IASIS Healthcare Holdings, Inc., a Delaware corporation, in its capacity as general partner of the following entities: St. Luke's Medical Center, LP; St. Luke's Behavioral Hospital, LP; and Mountain Vista Medical Center, LP ("collectively Covered Entity") (collectively the "Parties") to comply with the requirements of the Health Insurance Portability and Accountability Act of 1996 (42 USC §1320d *et seq.*) ("HIPAA"), the American Recovery and Reinvestment Act of 2009 (Pub. NOW THEREFORE, in consideration of the mutual promises and covenants herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

- A. Definitions. Terms used herein, but not otherwise defined, shall have meaning ascribed by the HIPAA Rules. "PHI" means Protected Health Information created or received by Associate for or from Entity.
- B. Status as Business Associate/Permitted Uses and Disclosures. To the extent Associate is acting as a Business Associate of Entity, the provisions of this Agreement shall apply to Associate and Associate shall be subject to penalties as specified in § 13404 of ARRA. Associate will neither use nor disclose PHI except as permitted or required by this Agreement or as Required by Law. Without limiting the foregoing, Associate will not sell PHI or use or disclose PHI for purposes of marketing or fundraising, as defined and proscribed in the HIPAA Rules and ARRA. Associate is permitted to use and disclose PHI as follows:
 - 1. to perform any and all obligations of Associate as described in the service agreement between the Parties (the "Service Agreement"), provided that such use or disclosure is consistent with the terms of Entity's notice of privacy practices and would not violate the HIPAA Rules, if done by Entity directly;
 - 2. to perform Data Aggregation services relating to the health care operations of Entity;
 - 3. to report violations of the law to federal or state authorities consistent with 45 CFR § 164.502(j)(1);

 - 5. to de-identify PHI in accordance with 45 CFR § 164.514(b) for purposes of performing its obligations under the Service Agreement or for Associate's Operations to the extent permitted by

applicable law. Associate shall not use or disclose PHI to create de-identified information to be used or disclosed for any other purpose without the prior written consent of Entity.

Notwithstanding the foregoing, in the event Entity notifies Associate of a restriction request that would restrict a use or disclosure otherwise permitted by this Agreement, Associate shall comply with the terms of the restriction request.

- C. **Obligations of Entity.** Entity shall (i) upon request, provide Associate with a copy of the notice of privacy practices that Entity produces pursuant to 45 CFR § 164.520, and Entity shall promptly furnish Associate with copies of any material changes to such notice; (ii) provide Associate with any changes in, or revocation of, permission by an individual to use or disclose PHI, if such changes affect Associate's permitted or required uses or disclosures; (iii) notify Associate of any confidential communication request or restriction to the use or disclosure of PHI affecting Associate that Entity has agreed to in accordance with 45 CFR § 164.522.

Notwithstanding the above, no attorney-client, accountant-client, or other legal privilege shall be deemed waived by Entity or Associate by virtue of this provision.
- K. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the HIPAA Rules expressly applies.
- L. Reporting. Associate shall promptly report to Entity, to the extent Associate becomes aware of or discovers any of the following: any use or disclosure of PHI not permitted by this Agreement, any Security Incidents involving electronic PHI, any Breach of Unsecured Protected Health Information ("Breach") and any Red Flag (as defined at 16 CFR § 681.2(b)) related to any individual who is the subject of PHI. Associate shall mitigate, to the extent practicable, any harmful effect known to it of a Security Incident, Breach or use or disclosure of PHI by Associate not permitted by this Agreement. Notwithstanding the foregoing, the parties acknowledge and agree that this section constitutes notice by Associate to Entity of the ongoing existence and occurrence of attempted but Unsuccessful Security Incidents (as defined below) for which no additional notice to Entity shall be required. "Unsuccessful Security Incidents" shall include, but not be limited to, pings and other broadcast attacks on Associate's firewall, port scans, unsuccessful log-on attempts, denials of service and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of electronic PHI. All reports of Breaches shall be made within ten (10) business days of Associate discovering the Breach and shall include the information specified at 45 CFR § 164.410. Associate shall promptly reimburse Entity all reasonable costs incurred by Entity with respect to providing notification of and mitigating a Breach involving Associate, including but not limited to printing, postage costs and toll-free hotline costs.

M. Term and Termination.

- 1. Term. This Agreement shall be effective as of the Effective Date and shall remain in effect until terminated pursuant to Section M.2 below or the Service Agreement terminates, whichever is earlier.
- 2. Termination for Breach. If Associate breaches any provision in this Agreement, Entity may, at its option, access and audit the records of Associate related to its use and disclosure of PHI, require Associate to submit to monitoring and reporting, and such other conditions as Entity may determine is necessary to ensure compliance with this Agreement, or Entity may terminate this Agreement on a date specified by Entity. In addition, either of the Parties may terminate this Agreement effective immediately if it determines that the other Party has breached a material provision of this Agreement and failed to cure such breach within thirty (30) days of being notified by the other Party of the breach. If the non-breaching Party determines that cure is not possible, such Party may terminate this Agreement effective immediately upon written notice to other Party. If termination is not feasible, the non-breaching Party shall report the breach to HHS.

3. **Effect of Termination.** Upon termination of this Agreement for any reason, Associate agrees, at no cost to Entity, to return or destroy, in a secure manner, all PHI, maintained by Associate (or its subcontractors or agents) in any form. If Associate determines that the return or destruction of PHI is infeasible, Associate shall inform Entity in writing of the reason thereof, and shall agree to extend the protections of this Agreement to such PHI and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI infeasible for so long as Associate retains the PHI. The respective rights and obligations of Business Associate under this Agreement shall survive termination and remain in effect (a) until Associate has completed the return or destruction of PHI as required by this Section and (b) to the extent Associate retains any PHI pursuant to this Section.

N. **Miscellaneous.**

1. **Amendments.** This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow Entity's to comply with the requirements of the HIPAA Rules.
2. **No Waiver.** Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
3. **Equitable Relief.** Any disclosure of misappropriation of PHI by Associate in violation of this Agreement will cause Entity irreparable harm, the amount of which may be difficult to ascertain. Associate therefore agrees that Entity shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining Associate from any such further disclosure or breach, and for such other relief as Entity shall deem appropriate. Such rights are in addition to any other remedies available to Entity at law or in equity. 4. **Interpretation.** Any ambiguity in this Agreement shall be resolved to permit Entity to comply with the HIPAA Rules. Nothing in this Agreement shall be construed to create any rights or remedies in any third parties or any agency relationship between the parties. A reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. This Agreement shall be incorporated into the Service Agreement and subject to any notice, choice of law, waiver or similar provisions of the Service Agreement. Associate shall agree to conduct business in accordance with the standards of conduct set forth by Entity ("*Our Common Bond*").
